ABOUT THE COLLEGE

St. Joseph's Degree & PG College, being a Minority Institution and is a premiere affiliate of the Osmania University, Hyderabad, Telangana, India. Discipline is the hallmark of the college. Our motto is to inculcate love, knowledge and service in our students and for this, we aim to develop the skills, make them lifelong learners and responsible global citizens.

St. Joseph's Degree & PG College is one of the best colleges of Twin Cities of Hyderabad and Secunderabad. The Institution has received 2(f) from UGC in 2006, and permanent affiliation from OU in 2007, National Assessment and Accreditation Council (NAAC) accreditation with 'A' grade in 2008 for its Distinctive Educational Environment Human Values and Social Commitment, with a growing reputation among academia and industry as the top destination for world-class knowledge, skills, universal values, and global employability and at present, we offer 14 UG programmes and 2 PG programmes – MA & MBA Autonomous status & 12(B) from the UGC in 2011, renewed Autonomous Status in the year 2017 and re-accredited by NAAC in 2021. The College is currently marching towards excellence under the visionary and exemplary leadership of **Fr. Dr. D. Sunder Reddy**, who is ever enthusiastic to charter new avenues

VISION

To provide a distinct environment of excellence in education with human values and social commitment.

MISSION

We are committed

To create and maintain an environment of excellence in education through technological advancements, effective pedagogy and methods of evaluation.

To develop knowledge citizens with multidisciplinary global competencies.

To integrate in the students, the ennobling virtues of truth, fairness, tolerance and co-operation that lead them to serve the underprivileged.

To sensitize the Josephites with a sense of appreciation of traditional and cultural inheritance of the nation.

To provide life skills for a successful career, home and society.

ABOUT THE WEBINAR: National Education Policies of various countries envisage a contemporary education system that predicts and plans for a contribution towards the transformation of nations sustainably into an equitable and vibrant knowledge society through the provision of high quality education to all. Improvement in access to education in the developing countries like India and its neighbouring countries like Bangladesh, Srilanka, Nepal, Bhutan, Maldives, etc., has contributed to progress in social and economic indicators. It is doubtless that all the developing countries attain nationally set development objectives, fulfilling the commitments for the Sustainable Development Goals (SDG) 2030, realizing the growth potential of their economies and utilizing the productive potential of the respective country's youthful workforce. The fact is that there is a clear association between the level of education and poverty as indicated by the countries' poverty status and literacy rates. Looking at the needs of nations to sustain the quality of education and adhere to SDGs, we as academic leaders are committed to learn and adapt to the educational policies framed and therefore, in order to adopt necessary approaches to achieve the goals of educational policies, we look forward to receiving more inputs on the processes and the challenges involved on the respective Education policies, not only of India's NEP, but also of neighboring countries. This International webinar intends to call for papers on the same from the academicians, industrialists from Education field, policy makers, etc., from neighbouring countries along with spreading awareness regarding National Education Policy which will contribute towards the intellectual wealth of the nations. Hence the objectives are:

- To Recognize the connect between Vision and Action related to Education Policies
- To Assess the gaps between the National Education policies drafted and their implementation
- To Discuss the challenges in the implementation of Education Policies
- To Relate the scope of Institution's, connect to Industries for skill development
- To Debate on Innovation inclusion in the National Research policies
